Fantasy

THE TREASURE AT THE TOP OF THE WORLD by Clive Mantle

On his thirteenth birthday Freddie Malone is presented with an ancient map. Its magical potential is quickly discovered when Freddie finds himself hurtling through time and space. His best friend Connor rushes round to hear of amazing adventures in the foothills of Everest and the theft of ancient treasures. What is in the mysterious old sandwich box that Freddie keeps with him as if his life depends upon it? Connor finds himself having a vital part to play in saving the day, and maybe even solving one of mountaineering's greatest mysteries.
